**HAPPY BIRTHDAY THIS WEEK TO:**

Ellie Nicholas (1) Ms. Rodriguez (PK)

Welcome Back Stag Families!

We are off and running with this new year! The summer flew by- and I am so glad we are back safe and sound, and ready for a new year with new challenges and exciting adventures!

Thank you to those families who attended Back to School Night on the first night of school. I appreciate all of you partnering in education with the staff at St. Anselm. For those who missed it, I sent an email with the documents presented. Please let me know if you did not get it.

I have a few reminders and updates this week:

This is the only time that the School Scope will be printed during the school year. We are going "green" with our newsletter. It will be posted on the website and emailed home each week. You can find it under the News/Info tab. If you need a copy, email the office at [office@saintanselmschool.org](mailto:office@saintanselmschool.org). We will be sure to print you one.

Our staff will be meeting to discuss the clubs that will run this year. Club information will come home within the next two weeks, and all will start the first week of October. Stay tuned!

There are many forms that need to be turned in to the office. If you find some laying around on the kitchen table, please send them to school with your student(s).

We now have two microwaves in the cafeteria for student use. If your student wants to warm up macaroni and cheese, spaghetti, or anything else, he/she is welcome to. The lunch moms are there to help. We hope this makes lunch a bit easier for families, too.

A reminder for students who take medication, need cough drops, etc.- there is a form to be filled out for anything your student would need to take during the day. We have to have permission for EVERYTHING. We are liable for your student(s) from 7:45-3:00 each day, and 3:00-6:00 if they are in latchkey. We take that very seriously, therefore we have to track anything given to your students. Please write a note and request the medication form if need be.

I ask again that you keep the lines of communication open with our teachers. If there is a concern, contact the teacher first. Then, the counselor. Then, the principal. I appreciate everyone's help with this.

I wish you a great weekend, filled with sunshine!

Mrs. Angela Kraetke  
Principal

**A FEW REMINDERS!**

I am going through all the forms that I received on the first day, if I am missing items from you I will be sending home everything I still need. Please be sure to send this paperwork back when you receive it.

I have a number of families that have not turned in PC Dues (\$12), tuition (now three weeks later), Communion (\$10)& Reception fees(\$20). (First grade parents and Seventh Grade parents).

The next tuition payment will be due On October 1st, you will receive a statement with the amount owing. I am still waiting on Brighter Future paperwork I have received PSA information.

If your child will be absent or late, please let the office know. Our answering machine is always on. Office opens at 7:00 till 3:30pm.

If you want to volunteer in the school you must have taken Protecting Gods Children Workshop and background check.

Student may purchase milk at lunch time beginning next week. The cost will be 50 cents. Chocolate, white and strawberry will be available.
