Greetings St. Anselm Families,

I hope everyone is doing well and has settled into the school year. We have almost finished our first full week of school. The students are transitioning well and I am very proud of our accomplishments.

Tomorrow is Constitution Day. On this day, we celebrate the adoption of the US Constitution and those who have become US citizens. We will learn about Constitution Day with an assembly in the morning, right after mass. Ms. Amy Kinasz, our middle school Social Studies teacher, organized the assembly for our students. I thank her for her hard work and for supporting our students thinking "outside of the box."

Catechetical Sunday is this weekend, September 18. We celebrate all of our educators who have accepted the call to faith. As educators in a Catholic School, all of us have to take courses directly geared toward our faith and evangelization. I ask that you pray for our St. Anselm educators, who feel that a Catholic School is the best place to learn, work, and grow. We will celebrate this event at 10:00 am mass on Sunday.

All of our programs and clubs will be fully up and running at school. Here is a list of items to look for in the coming weeks.

- Club Sign up forms
- Sports Sign up (Winter)
- School Messenger Text Messaging Information
- Information on October Events

I wish you all a great weekend. Thank you for all of your support!

Mrs. K
