If you have not taken the class here is a chance to attend a workshop. You register online at Virtusonline.org

Sports Corner

Parents and students are invited to our Homecoming games next Saturday (February, 11th). Game times: Varsity Girls vs. St. Joseph at 10:00 a.m., Junior Varsity boys vs. St. Sebastian at 11:15 a.m. and Varsity boys vs. St. Sebastian at 12:30 p.m. Come and root for your STAGS!

Greetings St. Anselm Families,

Happy Catholic Schools week! The students are having a blast dressing up and participating in our events. The photo booth was a huge hit yesterday! I am very excited for our pep rally on Thursday. We have a surprise guest coming to see our students and staff!

Remember that your student should dress in Sunday best on Friday. No jeans or sweats. Girls should wear dresses, skirts, or dress slacks. Boys should wear dress slacks. All should have appropriate tops. No tennis shoes. When it doubt, students should wear their uniform. And, Monday is pajama day. Students can wear their pjs, along with robes and slippers! We are back in school uniforms on Tuesday, February 7.

Thank you to all who participated in the Jump Rope and Hoops for Heart event. Students are continuing to fund raise, but we are close to surpassing our donations from last year. The students are coming away with great prizes and they all had a wonderful time shooting hoops and jumping rope!

We keep our eighth graders in our prayers as we move into next week. Our eighth graders will attend their Confirmation retreat on Wednesday, February 8. We pray that our young people feel connected to Jesus and to their faith. This is truly an exciting time as the finish their school sacraments. Confirmation is the final piece of a very important puzzle.

At this point, our students have two weeks before progress reports for third quarter come out. Keep checking those planners and reviewing school work at home. If your student needs help, please make contact with the teacher. I know our teachers have been making contact with parents about any issues of concern.

Finally, we have had many families turn in registration paperwork for next year! Thank you! If you have not, please send in your card and registration sheet. Registration without a fee is a great deal! Most schools charge upwards of \$400.00 to register one child-- take the opportunity to send in the paperwork for FREE! If you have any questions, call the school office. We would be happy to talk with you about registering, or about grant and scholarship money.

Thank you for making St. Anselm a great place to be! Have a wonderful weekend!

Mrs. Angela Kraetke
Principal
