KINDERGARTEN TESTING

Kindergarten testing will be the afternoon of Friday, March 24. There will be half hour time blocks. Those children who attend St. Anselm Pre-K will be taken out of class when their parent arrives for their time block. Please call the office and set up a testing time for your child as soon as possible. I look forward to meeting with you and your child. Many thanks for your cooperation.

Mrs. Karen Kliber

REMINDERS!

I still need help for the Card Party. Please return your help sheet that was sent home with the last couple of Scopes. We need your help to have a successful event!

Card Party ticket money of \$25.00 is due to the office as soon as possible. Every family must buy or sell.

Final tuition payments are due to the office asap.

Fair Chairpeople we will have a meeting Monday, March 20th at 7:00 pm in the Meeting Room. Please try and attend.

We are still taking registration for next year! Turn in your card if you have not done so yet.

I sent an email on Tuesday reminding parents to look into the AOD Financial Aid that is available. The application deadline is April 7, 2017. The AOD is awarding three different amounts to families- \$800, \$950, and \$1100. The application is online, and if you need help, we would be happy to assist with paperwork in the school office. I would like to see families apply for this aid! I am currently working on the new St. Anselm Scholarship Money Application. When that is ready, I will send it out. Between what the AOD is offering and what we can help with here, Catholic education can be affordable!

Here is the link to the AOD site: <http://www.aod.org/schools/tuition-assistance-and-scholarships/new-archdiocesan-tuition-assistance-process/>

Secondly, I am working on the calendar for 2017-2018. I just finished the rough draft and should have the final draft out to you sometime next week. I hope this helps with your planning and preparation for the summer and for next year.

Third, in the last two weeks, we have had quite a few phone calls from families interested in coming to St. Anselm next year. THANK YOU for the glowing recommendations. I always love to hear that families are spreading **Good News** about our school and the programs we have. The more families we have, the more we can offer to our students in the forms of academic programs, athletic teams, clubs, and activities. We can take the students to volunteer at the Soup Kitchens and Gleaners more often, and bring in assemblies and presentations. ***I appreciate that we have so many families who truly love St. Anselm and want to build us up. Thank you, again.***

To go along with what has been stated above, if you have not registered for the 2017-2018 school year, please do that now! Early registration helps us plan programs, book orders, uniform sales, paperwork, and elements of the calendar. If you are missing the paperwork, simply call the office and we will get you a new set. Registration is currently \$50.00 and only a couple of forms need to be filled out.

Fourth, **CONGRATULATIONS to our March Students of the Month!** We will celebrate these students and award certificates on Friday, March 24 after mass. Currently, their pictures and descriptions are on the "tree of leadership" in the hallway, by the office.

Lastly, because we only used one snow day this school year, Monsignor Moloney and I have decided to gift our students and staff a DAY OFF next Friday, March 17. We agree that everyone deserves a long weekend, especially after 8th grade Confirmation! Please sleep in on St. Patrick's Day, and enjoy your long weekend!

In thanks,

Mrs. Angela Kraetke
