### HAPPY BIRTHDAY THIS WEEK TO:

Sarah Walkuski (K) Julianna Jaber (3)  
Nicholas Kleitsch (6)

### COMING EVENTS!

- Mon. Apr. 24 - Fri. Apr. 28 - 6th grade Science Camp
- Sat. Apr. 29 - Girl Scouts Trivia Night 6:00pm
- Sat. May 6 - First Holy Communion
- Mon. May 8 - May Crowning

### REMINDERS!

**Final tuition payments are now past due! All tuition needs to be paid in full by the end of April.**

Anyone that is planning on coming back that has not turned in your paperwork and orange card, please send them into the office. We would like to know class sizes for next year and how many books we need to order.

If you have lost or misplaced these two things, please call the office and I will send home another set.

Fair volunteer sheet will go out on the Monday we return from Easter Break. I will do my best to place you where you requested. Keep in mind everyone needs to work the night shifts also. The chair people working the whole time need your help in running their booths, so please keep in mind we are depending on you to show up and work your whole shifts that you are scheduled.

**Lunch forms due back on Tuesday, April 11th by noon.**

#### **Protecting Gods Children Workshop Available**

Greetings St. Anselm Families,

They say "March comes in like a lion, and out like a lamb." Well, I think April is coming in like a lion, too! I'm hopeful that we will have great weather for our upcoming break. I am also anxious for everyone to get some rest and recharge for the last part of the school year.

Here are my reminders and updates, and some good stuff, too.

Today, a group of seventh graders is heading to All Saints Soup Kitchen to serve the homeless. Tomorrow, our 6th and 8th graders will travel to Gleaners to volunteer their time working for the betterment of others. Last year, it was suggested that our students get some more opportunities to go on field trips. I agreed that they should be out of the building more, and that for the most part, they should be volunteering. Our middle school students have had multiple opportunities to serve those who are less fortunate and although these trips make for busy days, they are necessary as we all seek to live our faith each day.

Remember that if your student is planning to apply to the National Junior Honor Society, those applications are due to Mrs. Rivard TOMORROW. We will not accept late applications.

Next week, we will only be in school on Monday and Tuesday. We will be off on Wednesday and we will come back from break on April 24. Since we did not use our snow days, I have been using days here and there. I felt that adding a day to our break would be best. I know that our students and staff are excited to get away for a little awhile, and I have heard that many families are going to different places. Safe travels!

When we return on the 24th, the 6th graders will be heading to Science Camp with Mrs. Jorgensen and on April 26th, our 5th and 7th graders will go to Gleaners. We will have another busy week. Please listen to the voicemail before break and read the emails and text messages sent. The month of May is even more packed than April. It's pretty exciting!

As we are planning for next year, please consider turning in your registration if you have not already. We are attempting to plan for book counts- both hard cover and workbook. We are also purchasing new Social Studies textbooks. We would like to have the most accurate counts and shipping costs are greatly reduced when we order early. If you need registration information, call the office. If not, and you have your cards and forms, send those in as soon as possible. We appreciate the help!

When we return from break, I will send a packet home with tons of information for next year. Stay tuned for all of our updates! And, if you have not already, I ask that you fill out the survey I sent out about two weeks ago. Thank you to those 31 parents who have completed it thus far!

Have a wonderful weekend and a blessed Easter.

Mrs. Angela Kraetke  
Principal
