Greetings St. Anselm Families,

Happy May! Here we are! We are approaching the end of the year and it is so busy! We have lots to do, and so much going on. Be sure to keep up with your reading and messages so you don't miss anything.

Here are some points of interest from my desk:

Our clubs are coming to a close. If you have any questions about clubs or times, be sure to email the moderators.

Progress reports come out this Friday. They will either come home from your student's homeroom teacher, or be posted to Power-School. Please keep an eye out for this important information.

Be sure to stress the importance of your student's planner during these last few weeks of school. The students have quite a bit to accomplish as the year winds down. They need to write down the homework from the board or the information that is conveyed by each teacher in class.

I want to thank all of the families who took the time to complete the survey I sent out a few weeks ago. I received lots of great feedback. While everything listed can not be changed, there are a number of changes and improvements coming for the upcoming school year. I have attached a VERY IMPORTANT PACKET to this School Scope. PLEASE READ IT. It outlines all of the changes and includes information on scholarships, free and reduced lunch, and our new Moms' and Dads' clubs. The free and reduced lunch forms need to be sent in ASAP, along with the scholarship form, and the Moms' and Dads' club signups. I am very excited for the 17-18 school year. I know that we are working hard to ensure that our students are getting a well-rounded education, and with the changes, our school will offer an even stronger educational foundation.

With that said, if I have reached out to you about registration, I ask that you send in your information next week so we can have appropriate counts for books and supplies. Without registration information, we can not send a back-to-school packet to you in August. As always, if you have any questions, be sure to let the office know.

Lastly, May is the busiest month around St. Anselm, next to the holidays. I am constantly in and out of classrooms, attending meetings, traveling on field trips, and getting things together for the Fair and the end of the year. If you need to meet with me, or speak with me on the phone, please send me an email or call Mrs. Stallions to set that up. I want to be able to give you the time you need to have a conversation. Right now, that is hard to do unannounced. Thank you for your understanding.

God Bless our second graders who will make their First Holy Communion, and God bless our eighth graders at May Crowning.

Have a wonderful weekend.

Mrs. Angela Kraetke
Principal
