Greetings St. Anselm Families,

Today's feast day focuses on the Triumph of the Cross. Our prayer this morning asked God for help with our own crosses that we carry day to day. It is my hope that at this time, your crosses are light and if not, that the Lord will assist us with our heavy burdens.

Our school year is moving along nicely. Our students have adjusted to being back in their classrooms. As I walk through the halls every day, I see so much participating and learning! I have some reminders and updates for you. Please be sure to read everything.

Every homeroom needs a room mom/dad. If this is something you may be interested in, contact your student's teacher and let them know. Each grade level has different responsibilities. The homeroom teachers know what they are in need of. If it's a year of a sacrament, there is more to do for that homeroom. Mrs. Walkuski and the office staff can help with questions about what is needed for any event.

Throughout the school year, we participate in small fundraisers that helps our school purchase items for our classrooms. Here is a list of how you can help with these small, easy fundraisers for St. Anselm.

- Collect Box Tops and send those in to the office. There is a sheet that each child receives where parents can cut the box tops and tape them. You don't have to do that though! You can simply rip the box tops off and send them in a bag. We will take care of the cutting at school!

- Go to kroger.com and sign up to donate to St. Anselm Catholic School with every Kroger purchase. Kroger's website and app allows you to make lists, load coupons, and browse their paper. The option to donate to a school is a part of their program as well. The school's name will show up at the bottom of your receipt each time you shop!

- When you drink out of a can, pull the pop top off and throw it in a bag. We are collecting pop tops for the Children's Hospital. A portion of the funds is donated back to St. Anselm.

If everyone makes a point to do these small tasks, we can continue to help those who are less fortunate and aid our classrooms as well.

Our Moms and Dads clubs are moving in the right direction! If you are a dad interested in the club, please contact Gary Nosis about setting up the first Dads club meeting. If you are a mom interested in the club, your first meeting will be in the cafeteria on Wednesday, September 20 at 6:00pm! Any questions about the Moms club can be directed to Daniela Yglesias.

Lastly, next week, I will send a note home about IOWA testing (Oct 2-12). This year, we will give the students the opportunity to get FIRED UP for testing! There will be some out of uniform days, great prizes, and a surprise guest! We are excited to raise those scores!

I wish you a wonderful weekend!

Sincerely,

Mrs. Angela Kraetke
 Principal
