BEER/WINE/BRATS & SNACKS
RAFFLES 50/50 DRAWING**

CONTACT: ERIN IF INTERESTED - 248-912-2294

Greetings St. Anselm Families,

What a busy week we have had! Today, we welcomed PAWS from the Detroit Tigers! He acted out a skit and poem as I read to our students. The poem had to do with trying your best and the overall message involved reading and working your hardest when it comes to school work. I am grateful that PAWS was able to join our school community today. We have some great photos!

Here are the reminders from my desk:

IOWA testing will take place next week and the following week. It is imperative that our students get a good night's rest every night. They also need to eat a good breakfast each morning. We will have granola bars available for students who need a little extra protein in the morning as well. Last week, I sent home a schedule of the exciting out of uniform days, prizes, and a movie afternoon to celebrate our efforts. It is my hope that with these added incentives, our students will work hard and focus to bring those scores up!

Our quarter will meet its mid-point tomorrow, which means that progress reports will go home or will need to be printed and signed. If you have any concerns, reach out to the teachers. Sometimes the teachers' concerns are different than the parents. Check the planners and the teacher websites regularly to ensure that homework is being completed each night!

October is always a very busy month. We will have pumpkin sales the second week of October on the 11th and 12th. We have moved pumpkin sales back a couple of days from the original calendar. It is updated on the current October calendar. If you would like to help with pumpkin sales, please see Sharri Kelley.

Beginning in October, our lunch supervisor, Mrs. Mary Boes will begin selling snacks, Gatorade and water. All snacks and drinks will be under \$1.00 and will be healthy. *She will not be selling candy and desserts.* Additionally, Mrs. Boes will start a salad bar. Students and staff will be able to purchase a salad, with ten different topping options. This will be available every day. There is no reason to pre-order and this is NOT part of the hot lunch that is ordered monthly. It's a pay-as-you-go option. Salads will be \$3.00. If your student is interested in purchasing a salad for lunch, snacks, or additional drink, please send the money in your student's backpack or in his/her lunch box.

Remember that we have a fabulous event here at school for Halloween! Trunk n' Treat! It will take place on Friday, October 27 at 5:30 until 7:30 in the school parking lot. We would love to have 100% participation from our school families. A form will come home soon about this event. If you are interested in helping, please contact Shandra Fish.

Lastly, Mrs. Rivard and I have been talking to our students about how we treat each other and what it means to be a good friend. Our school has taken on a new motto, "what will you do today to make someone's day better?" I am in the process of arranging speakers to come in and speak with our students about kindness and safety with social media. However, each day, I will ask the students what they will do to be a good friend. Please join us in seeking ways to make others feel better and talk with your children about how to be a positive role model.

Have a great weekend!

Mrs. Angela Kraetke
Principal
