All Saints Soup Kitchen. We are hoping for 100%  
Participation.

Please, if your child is going to be absent, call them in  
and leave a message.

### **THANK YOU!**

**A big thank you to the Mom's and Dad's Club for  
putting on a delicious Thanksgiving Feast!  
Everything was excellent! We appreciate all your  
hard work making everything perfect for the whole  
school and staff. A special thank you to Mrs. Ygleias  
for making all the turkeys and cupcakes. Great job!**

Greetings St. Anselm Families,

I hope this article finds you well. I also hope everyone had a wonderful Thanksgiving break. It was very nice to spend time with family and friends, and to have five days off! We are now on the fast track to Christmas!

The end of this week marks the half way point through quarter 2. Progress reports will be updated by Monday, December 4. As I have been looking through students' grades and visiting classrooms, I have noticed improvement with many students. However, the improvements come with organization. The students have one folder for completed work and one for incomplete work. The teachers collect the folders to grade the work. Planners are filled out in each class. I can say with the utmost certainty that every teacher in our building has assignments, assessment dates, and goals on their boards every day. They review what to write down and what's important for class. Our middle school students now have school emails and the teachers are emailing the students reminders. The same has to follow at home. Planners and folders should be checked, and students should have a quiet, focused area to complete homework. If you feel that your student need something additional, he/she is welcome to attend tutoring and homework club on Mondays and Tuesdays after school.

Next week, I will take another group of eighth graders to All Saints Soup Kitchen. We will take whatever food and clothing we have collected, and some money so that All Saints may purchase food and toiletries during the holiday months. Many of our students have started bringing in items and money for the raffle. Next week, I will announce a school-wide prize if we reach \$1000.00 in our raffle and 100% participation with this collection. We are not doing class level competitions, but one big prize. Stay tuned for this information!

As we look ahead to the next three weeks, we will be busy with holiday events. Our students will have an **11:05 AM dismissal next Friday, December 8**. It is also the feast of the Immaculate Conception. I encourage all parents to join us for **8:30 mass on this day. Santa Shop** will take place during school hours from **Monday, December 11 – Tuesday, December 12. Our Christmas Concert has changed this year and will take place on Monday, December 18 at 12:30-2:30**. I realize that this is a big change for some people. Mr. Lurie, our music teacher, currently teaches in three school buildings. All of his schools have Christmas Concerts that week and for many reasons, Monday was the only day we could host our concert. I hope all parents and family members will attend. The time period is similar to the Spring Talent Show. This year, we have more students interested in performing in the Christmas Show than ever before! I am excited to see our students act and sing.

Thank you for your support! Have a wonderful weekend!

Principal
