Greetings St. Anselm Families,

Happy December! The cold weather is upon us! Winter is here!

At this point, we have about 12 school days until Christmas Break. I'm sure we are all counting-- maybe for different reasons! Here are some reminders as we head into next week.

Santa Shop will take place on Monday and Tuesday, December 11-12 next week. Each teacher has set up a time for their homeroom students to shop. If you need the date and time, please see the teacher.

On Wednesday, our students and staff will partake in a school-wide reconciliation service after lunch. I am always grateful for Monsignor's willingness to do this multiple times during the school year. It helps everyone as we move into these blessed seasons.

We are doing so well with our raffle and collections! We have raised \$315.00 in a week and a half and our back hallway is filled with food, toiletries, and clothing! A good portion of that money and all of the goods collected will head out to All Saints on Thursday. The rest will go in February. Our teachers have been tracking who has donated in their classrooms. Our NJHS students have been firing up our students by going room to room! Instead of competing as classes, I am going to offer one large incentive for bringing in donations. **If we have 100% participation at St. Anselm- Preschool through Eighth Grade, we will have a day off of school after Catholic Schools Week! We are planning on Monday, February 5.**

We are not asking for students to bring in a specific amount, but just to take part in what we are doing. Our goal is to raise \$1000.00 and have 100% participation with donations. Even if your student brings in one can, it will count for them and for our participation percentage. Please continue to help! We will draw Christmas Concert seats next week, and the rest of the prizes will be drawn on the 20th. Our students have until the 20th to buy raffle tickets. They have until the 22nd to bring in donations. Thank you, in advance for your assistance and support!

As a reminder, we have a half day this Friday, December 8. **DISMISSAL IS AT 11:05 AM.** We will have latchkey, but please be aware that our staff will be attending an in-house professional development that day. We need the students to be picked up right at 11:05. Thank you for your help!

Have a great weekend!
