- Wed. Feb. 7 - 8th grade Retreat

### **From the Stag Community Council**

We will be collecting mittens, hats, and scarves next week for those in need. They are conducting a contest to see which grade level can donate the most over 100%. Prizes will include a casual day for students wearing uniforms or bring a stuffed animal to school day for those students who are not required to wear uniforms. Collection is only during Catholic School's Week, January 29-February 2, 2018. Thanks in advance for your support.

### **Reminders:**

Jump Rope and Hoops 4 Heart takes place next week. Remember a \$2.00 minimum donation guarantees your participation in this fun event for a worthy cause.

Parents: If you would like to volunteer during the JR and Hoops 4 Heart event or donate orange slices for your child's class, any help would be appreciated. Contact Mrs. Santostasi for more information.

Greetings St. Anselm Families,

It's almost Catholic Schools Week! It's an exciting time here at school as we anticipate fun days and events for our students and school community! Please see the attached outline of what to wear and what to do each day!

Along with Catholic Schools Week, we begin the process of planning for the 2018-2019 school year. I know it's a little odd to start planning in such advance and I feel like every year, I am looking at the calendar for next school year, earlier and earlier. However, book and planner orders are due in the spring, and we have to consider our budgets and what our children need to be most successful here at St. Anselm!

Not only will our new families, who tour at open house and throughout the rest of this year, receive a new packet of paperwork to fill out, our returning Stag families will, too. You will see blue and white re-registration forms and a new family card come home in the coming days. I ask that you take some time to fill out the blue form and the family card. You can keep the white form for your records. During Catholic Schools Week, there is no fee to register your students. However, after CSW, we will have a \$50.00 registration fee. Please take a few moments to read everything, fill out the information and send it back to the office.

Throughout the course of this week, our students have been writing down what they love about St. Anselm. These statements will hang on the walls during Open House, CSW, and in the month of February. Most of our students reported that St. Anselm is a family and they love their teachers, friends, and school. They feel supported and loved within our building. These statements make my heart happy and I would be overjoyed if every returning family sent in their re-registration paperwork. Let's continue this "family" feeling for yet another year in Stag Nation!

Recently, Mrs. Cwiek, Mrs. Stallions, and I attended a meeting at the Archdiocese about financial aid. The AOD has re-vamped the current financial aid program. The process started last year and I am very confident that the AOD is planning to help even more families who desire a Catholic education for their students in 2018-2019. There are some forms that need to be filled out and signed, which all families will receive. EVERYONE should be applying for the AOD Financial Aid. It IS possible to have help with tuition payments and Catholic Education CAN be affordable! Between the AOD aid, and the aid that we can provide for families at St. Anselm, Catholic education can work for any family.

Remember that we, in the office, can help with the AOD Financial Aid paperwork. We can help you fill it out and send it in via email or fax. Just let us know what help you need!

Thank you for all of your continued support as we cruise into Catholic Schools Week!
