Greetings St. Anselm Families,

Happy March! We started off with a bang with a snow day on March 2! Let's pray that this winter will be ending soon and we will be on our way to Spring!

Here are some reminders from my desk. We have a very busy month ahead of us.

Next week, our middle school students will travel on two field trips. Our fifth and sixth graders will head to St. Mary of Wayne on Tuesday for the annual "Battle of the Books." They will leave at 8:10am and return around noon. Our 5th-8th graders will then travel to DCHS on Wednesday to see **Beauty and the Beast**. They will leave around 11:00 and return around 3:00. Please remember that some of our students who take the bus may not make it in time to go. They may need rides home. We will call you in that case.

NJHS Inductions will take place on March 16. We will also honor our students of the month, which I am organizing now. Plan for that to take place after mass and stations (around 9:05).

Please be sure to remember that I sent out a link to the AOD grant paperwork a couple weeks ago. I encourage EVERYONE to apply. You never know what you may be able to gain from applying. We are always looking for ways to make tuition practical and affordable. This is one way to do that. Here is the link again: <http://www.aod.org/schools/tuition-assistance-and-scholarships/new-aod-tuition-assistance-process/>

Let me know if you have any questions about the grants!

Within the month, I will be going through our calendar for the upcoming year and looking at any changes that need to be made around the building. If you have any concerns, or changes that you feel need to take place, please email me or call me now. Sometimes, parents wait until the end of the school year to ask for something to change or they come to me with a concern that can not be addressed in May or June. At times, things may not be able to change as scheduling may present issues, but I am happy to look into anything that may make St. Anselm a better place to be (although it's pretty awesome right now!). Thank you in advance for your help.

Lastly, fair planning has begun! Our fair is our biggest and best fundraiser! We need parental help! Mrs. Stallions sends home a list of what booths need chairpeople each week and we NEED you to help with these booths! The fair is one of my favorite times each year. Our whole community comes together for fun and excitement- our campus radiates with pride! If you can head up a booth, even if you have never done so, call us. We can walk you through the process and help you out! We sincerely appreciate the families who dedicate the time as chairpeople each year! You are fabulous!

I wish you a great weekend.
