Greetings St. Anselm Families,

I wish sincere congratulations to our eighth graders, and to their families, as we celebrated the students' last day of school on Wednesday. That class is one of the biggest to graduate from St. Anselm in the last few years. They are all off to different high schools next year and I am excited to see what the future holds for each of them!

As we head into our final weeks of school, I have some reminders to share.

We have several field trips for our students. Be sure to check in with your students' homeroom teachers to ensure that you have all of the information about where you are going, what time, and what the students are wearing.

We do not have school on Friday, May 25 and Monday, May 28. Our School Message for the weekend will be recorded and will call you on Monday at 6:45 since we have a long weekend.

Next week, we will have an 11:05 dismissal on Thursday, May 31. We will NOT have Latchkey on Thursday, May 31. Please make arrangements to pick up your students right at 11:05 on May 31.

Our annual fair is right around the corner. I want to stress how important it is for our families to work their hours. We can not run this fair without YOUR HELP! This fair greatly assists the parish and the school. It is our largest fundraiser and an important part of this neighborhood, too. As most of you attend the fair for fun, and not just as a worker, you know that this area counts on our fair to bring fun and build camaraderie. Let's pray for nice weather and a strong turnout.

Attached to this scope, you will find lots of information. I have attached a letter about school updates for 2018-2019, a Moms and Dads Club form, and a Scholarship form. Please read through everything! Our staff works to make sure our students have a balanced schedule and are challenged in their school work. We have some changes, and I can assure you that everything was well-thought out. If you have any questions, call or email me.

The Scholarship forms do not need to be returned until September. We will notify families of scholarship monies in October/November of next year. PLEASE attach your W2 forms and state the reason your family needs the scholarship. Monsignor and I need this information to move forward.

Lastly, Mrs. Delaney and I talked with FACTS on Wednesday about launching our tuition payment program. Be on the lookout for a letter about FACTS and the information to enroll. The process is not very complicated and we are looking forward to this program as it will make collecting tuition and other fees seamless.

Have a wonderful weekend. I hope you enjoy your four days and we have lots of sunshine!

Mrs. Angela Kraetke  
 Principal
